

1 February 1980

MEMORANDUM FOR THE RECORD

SUBJECT: CSG Staffing

25X1A Yesterday, 30 January 1980, [] DD/OS, met with [] and me and laid out a proposal for studying the advisability and preparing position papers on the amalgamation of the Special Security Center (SSC) and Compartmented Information Branch (CIB) with the Community Security Group's SCI Staff. 25X1A

There would be four principal functions of this combined element:

- a) Serve the SECOM, particularly its Compartmentation Subcommittee.
- b) Assist the SA/DCI/Compartmentation in the implementation of APEX.
- c) Provide the community with a service of common concern in APEX record keeping - including operation of SPECLE and establishment and operation of the 4-C program.
- d) Serve the DCI, the CIA and Non NFIB participants in the APEX arena - including providing the DCI's Security Advisor to the D/NRO.
